Exam Questions AZ-900

Microsoft Azure Fundamentals

NEW QUESTION 1
This question requires that you evaluate the underlined text to determine if it is correct.
You have several virtual machines in an Azure subscription. You create a new subscription. The virtual machines cannot be moved to the new subscription.
Instructions: Review the underlined text. If it makes the statement correct, select "No change is needed". If the statement is incorrect, select the answer choice that makes the statement correct.

A. No change is needed
B. The virtual machines can be moved to the new subscription
C. The virtual machines can be moved to the new subscription only if they are all in the same resource group
D. The virtual machines can be moved to the new subscription only if they run Windows Server 2016.

Answer: B

Explanation:
Section: Understand Azure Pricing and Support

NEW QUESTION 2
Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while others might not have a correct solution.
After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.
Your company plans to purchase Azure.
The company's support policy states that the Azure environment must provide an option to access support engineers by phone or email.
You need to recommend which support plan meets the support policy requirement.
Solution: Recommend a Basic support plan. Does this meet the goal?

A. Yes
B. No

Answer: B

Explanation:
Section: Understand Azure Pricing and Support
